PRIVACY STATEMENT

We collect personal information from you for the reasons explained in the privacy policy you received when you entered our program.

Some of the personal information we collect may be required by law or by the organizations that give us money to operate our programs.

The other personal information we collect is important to run our programs, to improve services in our community and to better understand what services are needed.

We only collect the information that we consider to be appropriate for those purposes.

If you have any questions or concerns about this, or if you did not receive a copy of our privacy policy, please talk to your case manager, facilitator or other service provider. You may also request a grievance form from our agency and submit it to: Office of Community Development, ATTN: HMIS Coordinator, PO Box 8645, Ann Arbor, MI 48107

In compliance with the requirements of the Department of Housing and Urban Development, this privacy statement must be posted at all intake desks (or other comparable locations) in the agency.
